

SMART EDUCATION: THE FUTURE OF LEARNING

Overview

Ensuring staff training and certifications remain current is essential for safety, compliance, and operational accuracy. Automation simplifies tracking, reminders, and confirmations across the institution

Challenges

- Manual tracking of training and certification expiry dates
- Increased risk of missed deadlines and errors
- Administrative burden as staff numbers grow

Solution Uses

- Monitor employee training requirements
- Send renewal reminders before expiry
- Track certification completion
- Support staff compliance and safety

Capabilities

- Centralized staff and training records
- Automated expiry monitoring
- Scheduled, personalized reminders
- Simple training completion confirmation

Key Modules

- Contact & Data Management
- Automated Messaging
- Reminder Scheduling
- Integration for Data Import

Benefits

- Save time managing training records
- Reduce manual errors and missed expiries
- Deliver personalized reminders to staff
- Easily access and manage employee information from one system
